

# Aikido of San Luis Obispo

A program of Safe-SLO Nonprofit

209 Bonetti, San Luis Obispo, CA 93401 (805) 544-8866

**D**id you know you can make a year-end contribution to Aikido of SLO as a tax-deductible donation? That's because Aikido is a program of Safe-SLO Nonprofit—a 501(c)(3) charitable organization.

All of us who instruct Aikido classes donate our time and skills as volunteers.

We need your help to keep providing education and a place **in 2010** for our community's children, teens, and adults to learn powerful yet peace-oriented responses to conflict, aggression, or violence..

**You may already know** that student tuitions pay a large portion of our school's facility and operation costs. But **did you know** that each year our school must raise *at least* \$10,000 for the rest? For this, we rely on charitable contributions.

Please consider making a year-end contribution to support our mission. If you are unable, please ask friends, family members, or businesses to consider us a worthy recipient for their year-end tax-deductible contributions.

*On behalf of the teachers and leaders of our Aikido programs and Safe-SLO Nonprofit's dedicated volunteers*

*Thank you for helping us continue to provide **education and a place for** children and adults to learn powerful peace-oriented responses to conflict, aggression, and violence.*

Your charitable contribution or your enthusiasm in seeking contributions from others will help keep our valuable work and wonderful facility available in 2010

**YES**
